

## **Caring Connections Calendar**

**Authentic connection provides a buffer that softens the negative effects of stressful situations. As you and your family cope with the life changes and anxiety caused by COVID-19, use activities from this Caring Connections Calendar to enjoy restorative moments of bonding, beauty and joy.**

Created by Master Instructor Kim Hughes, the Caring Connections Calendar features activities that strengthen relationships by practicing kindness, being grateful and spending quality time with those we love. Each activity builds connection while encouraging kind acts, helpfulness and positivity.

Like connection, being kind and helpful to others is a biological imperative that is required for optimal brain development. It also releases feel-good chemicals and hormones, something we could all benefit from right now.

Similarly, focusing on the positive creates more positivity. Practicing gratitude offers significant benefits for our mental and physical health, including enhanced empathy, better sleep and improved self-esteem. The activities included in the Caring Connections Calendar may seem simple, but the impact they'll have on you and your family is powerful.
